

The Most Reliable Stolen Vehicle Recovery System . . . Ever.

You've made a significant investment in your vehicle. In the event of a theft, you want to make sure you can get it back quickly to avoid costly damage and high insurance deductibles. Let Guidepoint's GPS-SVL be your secret weapon against thieves. When you have a Guidepoint SVL installed on your vehicle, you can rest easy if it's ever stolen.

Rapid Recovery, 24/7/365.

With just one call to the Guidepoint Response Center, Guidepoint will identify your vehicle's exact location - anywhere throughout the US. Then, Guidepoint's recovery specialists will work with law enforcement non-stop until your vehicle is recovered and returned safely to you - often in as little as two hours.

The Help You Need. Anywhere. Anytime.

Having a Guidepoint SVL in your vehicle entitles you to more than fast and reliable stolen vehicle recovery - it also protects you in case of any emergency with E-call emergency services. When you're facing trouble on the road, the Guidepoint

Response Center is standing by 24/7, ready to step in. With one call, we'll rush you all the help you need, from the police, the paramedics and the fire department. Guidepoint will even dispatch a tow truck when your vehicle becomes disabled for any reason.*

Peace Of Mind Without The Price.

Guidepoint SVL gives you premium stolen vehicle recovery protection and E-call emergency services without all the pricey monthly fees. What's more, Guidepoint stands behind the SVL with a generous \$1,000 theft protection warranty. In the rare event your SVL-equipped vehicle is stolen and cannot be recovered, Guidepoint will refund your purchase price up to a \$1,000.**
