

GuidePoint Systems – Limited Theft Protection Warranty

Guidepoint's Limited Theft Protection Warranty is intended to compensate the vehicle owner if we are unable to locate your Guidepoint-equipped vehicle, and it is not recovered by the authorities within 30 days. If your Guidepoint-equipped vehicle is stolen within the warranty period, and Guidepoint cannot provide an accurate vehicle location for recovery purposes within 24 hours of your filing a police theft report and, concurrently, providing it to the Guidepoint Response Center, Guidepoint will pay you an amount equal to the purchase price paid for your Guidepoint product, up to \$1,000. For purposes of this warranty, the price paid does not include any fees for finance, lease, tax or other charges including installation or upgraded service fees. The one-time payment of an amount equal to the purchase price of your Guidepoint shall be the complete and final remedy available to the purchaser. The term of this guarantee is for one year from the date of purchase of the system. While Guidepoint has created this plan as a way of showing appreciation to its customers, Guidepoint reserves the right to change, alter, modify, or discontinue all or part of this theft protection plan without prior notice. This theft protection plan does not cover losses arising from the theft of items within the automobile or any damages arising from, related to, and/or incidental or consequence of a vehicle theft except as specifically delineated below.

Conditions of The Theft Protection Program

The system must be installed by an authorized Guidepoint Dealer and must have been activated and registered with Guidepoint prior to the report of the vehicle theft. The vehicle in which the system is installed must be insured for theft by a licensed insurance underwriter in the state the vehicle is registered. The theft protection guarantee is nontransferable and no assignable.

Terms of Payment

You may request payment if the covered vehicle is considered a theft by your insurance company and the vehicle is not recovered, or if the vehicle is recovered within 30 days and deemed a total loss. You, the insured, must have settled all claims arising from this theft and there are no pending legal actions as a result of this theft.
