## Maximize your Mobile Workforce.

Guidepoint offers an affordable solution for small business owners and fleet operators that want to improve productivity, keep track of company vehicles, reduce costs and ensure the safety of employees. Designed for fleets of 2 to 50 vehicles, Guidepoint offers the most desired services for productivity, tracking, safety and security. An easy-to-use Website lets you track the vehicle's location, speed and direction with the click of a mouse. Receive notification when the vehicle departs or arrives at designated locations. Provide driving directions with up-to-date mapping and online navigation tools. Plus, Guidepoint's 24/7/365 response center is ready to assist if the vehicle is ever stolen or its driver needs emergency help. Guidepoint's mix of technology, service and affordability makes it a perfect solution for small to mid-size businesses, municipalities and school districts. It's ideal for contractor vehicles, school buses, delivery vans, taxicabs...even garbage trucks.

### Guidepoint T-1

**Online Vehicle Tracking.** Locate your vehicle up to five times each month on Guidepoint's secure, easy-to-use Website. Additional locates can be purchased online or via our 24/7/365 response center.

**Stolen Vehicle Recovery and Emergency Assistance.** If your vehicle is ever stolen or its driver needs emergency help, just call 1-877-GPS-FIND. We'll work with law enforcement to recover the vehicle or dispatch emergency services to its exact location.

#### Nationwide Coverage.

Guidepoint operates on the Cingular® Edge GPRS/GSM network for complete coverage in the U.S., Canada and Mexico.

**Transferable.** If you sell or trade in your vehicle, your Guidepoint can be transferred easily to your next car or truck.

**Selectable Features.** Add security and convenience with selectable features including remote door unlock or starter disable. *(Requires additional parts and labor.)*

### Guidepoint T-2 *(Includes all T-1 features)*

#### Unlimited Vehicle Tracking.

Check your vehicle's current location, speed and direction on Guidepoint's secure, easy-to-use Website.

**Virtual Odometer.** Automatically calculates and updates your mileage so you can track it online.

#### Low-Battery Notification.

Automatic notification if your battery falls below 10.5 volts.

### OnCall/Panic Button. *(optional)*

Access the 24/7/365 response center with the OnCall button, which can be installed in your vehicle on request.

### Guidepoint T-3 *(Includes all T-1 features)*

**Stop Reporting.** Track each time your vehicle stops, the amount of time spent at each stop, and miles logged between stops.

#### Automated Vehicle Reporting.

Automatically logs your vehicle's location, direction and speed every hour when the vehicle is being driven.

**History Reporting.** Retrievable log of all historical location, direction, speed and stop report data. Can be downloaded in a variety of formats.

**Landmarking.** Set up landmarks to track your vehicle's proximity to important locations. Simply enter the address and name of location, then view the vehicle and landmark on Guidepoint's Web-based maps.

**Notification.** Receive instant notification via email or text message when a driver arrives or departs from a landmark.

**Dispatching.** Check one or more vehicles to see which is closest to a designated address to make dispatching more efficient.

**To learn how Guidepoint can make your business more productive, call 1-877-GPS-FIND.**
